SORRY NOW SOLD

It is very hard to get a 2012 car in such great condition as this example and with such low mileage. Upon inspection it will become obvious that this car has been loved by its previous owners, the last one owning it for the last 6 years.

This DS3 comes with 4 recently fitted new tyres and a good service history. We will be further complimenting this by carrying out a major service, fitting a timing belt and water pump kit and putting a 12 Mths Mot on the vehicle for its new owner - the new owner will have nothing to do but drive away and enjoy.
