

BMW 4 Series 420d [190] M Sport 5dr Auto [Professional Media] | Nov 2018

*** SORRY NOW SOLD ***

Despite its name, the BMW 4-series Gran Coupe is actually a four-door saloon. To pump up the sporty image, BMW added rear doors, a slyly integrated hatchback, and a sexy sloping roofline to the 4-series coupe and rechristened it as the 4-series Gran Coupe. Essentially a sleeker, more attractive competitor for the their own 3-series model and the Gran Coupe definitely outperforms its sibling in the practicality game. The 4-series Gran Coupe offers fantastic driver engagement in a handsomely appointed cabin with slick styling, an efficient and powerful 2.0 diesel engine and the prestige of the BMW name.

This particular example is in fantastic condition both inside and out and has benefited from a full BMW service history. It was originally supplied by JKC BMW Coleraine and has had only 1 lady company director owner from who has maintained it to a very high standard. We have just had the alloys fully refurbished in BMW ferric grey and had a full gloss black M-Performance kit fitted, this car looks stunning and drives superbly - all it really needs is a new owner.
